

Cross Lutheran School Extended Care

“Inviting... Equipping... Sending”

August 2, 2022

Welcome to Cross Cares! Cross Cares is our before and after school care program. Whether you're a regular user, infrequent user, or a drop in user, a link to the handbook is accompanying this note for your reference: [2022-2023 handbook.pdf](#)

Please be sure to email the director schedule changes differently from the form you filled out. My email is on this letter. All correspondence (news, reminders, etc.) will come through email.

Alissa Bocek
Director
abocek@hiscross.net

We are still searching for a staff member for before and after school care. Please let me know if you know someone who is interested. Mrs. Bocek may help with staffing from time to time, and is the Cross Cares director.

Lastly, the sign-in, sign-out, and billing we will be using the RenWeb online system. You will see a history of charges and payments for your reference. At the end of a quarter, the history will be removed. Save these as your records for tax purposes.

Please email with any questions, and we look forward to serving you this year!
